As ever the health and safety of our staff and customers is at the forefront of our priorities and we will be working hard to continue to implement measures to keep you safe whilst enjoying our warm and welcoming experience. WHAT ELSE ARE WE DOING?

We have reduced our overall capacity by approximately 35% so that we can ensure safe distancing whilst you dine with us and we are sure you will agree that this spacious environment makes for a nicer overall experience.

In order to maintain social distancing we have reduced staffing levels in our kitchen, so please bear with us if your dish takes a little longer to prepare. We promise it will be worth the wait!

In line with government direction, direct access to the bar will not be allowed for customers. We will operate full table service for all food and drinks. Orders will be taken at a safe distance. So, sit back and relax, and let us do all the work!

Where possible we encourage you to pay by credit or debit card although we are still accepting cash. You will be asked to provide an e-mail address for use in the event of contact tracing.

We will operate a one way in and out system with sanitising stations set up for your use.

In line with Government guidance, the maximum party size that can be booked is for up to 6 people.

What isn't changing though is that we will continue to produce the freshly prepared and high quality food on-site that we know our customers love.

NEW OUTSIDE SPACE!

We have increased our outdoor space and you will love our new outdoor cabanas which make the perfect private setting for small groups to dine al fresco or come and enjoy a drink outside. Initially, while we gradually re-open and get to grips with the new operating procedures, the cabanas will not be available for advance booking.

THE DINING DOMES ARE BACK!

Back by popular demand, our dining domes will also be available providing a private and socially distanced setting for casual dining or a special occasion.

These spaces can be booked in advance and offer a unique dining experience.

MAKE A BOOKING

Please call us on 01279 725892 to book. Reservations can be made between 9AM and 5PM daily. We will also be launching a new online booking system very soon and details will follow shortly.
